Additional Organization Info

Please provide a short blurb about your organization that we can include in the program:

BOOTH SPACES AT THE DALLAS QUILT SHOW DO NOT INCLUDE FURNISHINGS OR ELECTRIC POWER.

This year, the Dallas Quilt Show committee is working with a new setup company, GES. If you will not be bringing your own booth furnishings (carpet, table, chairs, etc.) you will order and pay for these items plus needed electrical power directly from GES. They have developed an online order system that will make the process much more convenient for you. They will also have a service desk available on site from March 6-10. Once we have received and confirmed this Application Form, we will forward the link to their information.

I have read the Vendor Prospectus and agree to abide by all the rules.
